The Big Dig®

The Big Dig®
MSRP: $49.99
Recommended Age: 3+

The backyard becomes a construction zone with The Big Dig and kids are part of the crew! The Big Dig can handle it all! It features two-handed controls for digging and dumping, the contoured seat and boom rotate 360-degrees on a sturdy, wide base. Spend hours digging, moving and dumping sand in your backyard sandbox and home playground. The Big Dig can even be used in the snow! Its heavy-duty steel construction supports up to 110 lbs., while still being easy to break down and bring to the beach or to the playground. Construction toys have significant benefits for children. They help develop fine motor skills, enhance visual-spatial skills, stimulates logic, reasoning and problem-solving skills, and encourages imaginative role play. Playing with construction toys helps build confident, competent kids who embrace learning!
