Prepare for a DeLorean-fueled race against time to prevent Marty McFly's future from fading away! Players take on the roles of major characters from the blockbuster movie that launched the time traveling trilogy and helped define the 1980s.

Players work together to defeat Biff and his trouble-making gang while ensuring Marty's parents fall in love and the DeLorean accelerates to 88 mph in time to blast back to the Future. Filled with cinematic touchstones, this is the game fans have been waiting for!

Suggested Gift Guides: Best Family Games, Movie Fans, Under \$30, Tweens/Teens

Disney's beloved The Haunted Mansion comes to life—err, death—in this hauntingly fun family board game! Explore all the classic rooms of the ghost-infested manor, from the festivities-filled Ballroom to the Attic and out to the Graveyard and beyond in search of spirits. Beware, though, of the Hitchhiking Ghosts, who are notorious for "following you home" as that may spell your doom in the end!

Suggested Gift Guides: Disney Fans, Best Family Games, Screen-free Gifts

**Disney Haunted Mansion
Call of the Spirits**
\$24.99 Ages 9+

Available at Amazon & Walmart
Available 10/1

Back to the Future - Back in Time
\$29.99 Ages 10+

Available at Amazon & Walmart

This exciting, easy-to-learn cooperative game plays in 20 minutes every time! Team up to save the city from monstrous threats—from space aliens and spider robots to an oozing building-sized blob! As you race around the city rescuing scientists and collecting tools, the app audio track provides urgent news bulletins announcing where the latest threats are attacking. You are the city's last defense!

Suggested Gift Guides: Best Family Games, Under \$25, Quick Play Games, App Enhanced

Last Defense!
\$19.99 Ages 8+

Available at Amazon & Walmart

Pop-Tarts
\$9.99 Ages 13+

Available at Amazon & Walmart

It's a race to grab the most Pop-Tarts® from a parade of pastries lined up between the freezer and the toaster. On your turn, eat the Pop-Tarts card at the front of the line. Before taking a bite, though, you can play action cards to move Pop-Tarts around, create delicious combos, or reverse the direction they're going to improve your chomping chances. After all Pop-Tarts are gone, the player who "ate" the most points wins!

Suggested Gift Guides: Best Family Games, Under \$10, Quick Play Games, Stocking Stuffer, Nostalgia, Hostess Gifts

Something Wild!
\$7.99 Ages 6+

Available at Amazon & Walmart

A new line of card games features beloved Disney characters and collectible Pop! pocket figures. Play numbered and colored character cards to make sets and runs. Score a set to snag the character figure's special power that helps you win! The first player to score three powers wins the game. Combine multiple games to add more character cards, more Pop! figures, and more powers to your game!

Suggested Gift Guides: Disney Fans, Best Family Games, Under \$10, Quick Play Games, Stocking Stuffer

**Elf
Journey from the North Pole**
\$19.99 Ages 8+

Available at Target
Available 10/1

Help Buddy the Elf find his dad by laying a loopy route from the North Pole to New York City. Play path cards to the board and move Buddy along its crazy curves. Lead him toward your secret goal landmarks along the way to score points. The player with the most points when Buddy the Elf finds his dad wins!
