

## Overview

### Product Overview:

- In celebration of 25 years of Pokémon, The Pokémon Company International will be releasing the *Celebrations* collection for the best-selling Pokémon Trading Card Game (TCG).
- With nine different products in the expansion, *Celebrations* will showcase beloved characters from the Pokémon franchise, as well as popular card artwork and gameplay mechanics spanning the history of the Pokémon TCG.
- Each *Celebrations* booster pack will contain four uniquely designed cards—all with foil treatments and a 25th anniversary logo—that feature characters from all regions of the Pokémon universe, from Pikachu to Zamazenta plus familiar faces like Professor Oak.
- In addition, *Celebrations* will introduce a special subset of 25 cards that are close remakes of iconic cards from the history of the Pokémon TCG, including *Base Set* Charizard, Umbreon ☆, and Tapu Lele-GX.
- Many *Celebrations* products include promo cards that combine recently discovered Pokémon with popular game mechanics from previous Pokémon TCG sets, such as Light Pokémon, Delta Species (δ) Pokémon, and Pokémon Star.
